BC™

BIRD SPIKES

DESIGNED WITH PEST CONTROLLERS IN MIND, ITS STACKABLE DESIGN MAKES TRANSPORTATION, STORAGE, AND INSTALLATION FASTER AND MORE EFFICIENT, ALLOWING YOU TO CARRY MORE STRIPS WITH EASE.

BC Bird Spikes offer an efficient, **British-made** solution for professional bird control.

Manufactured in the UK using 304 stainless steel and UV-protected polycarbonate, the range delivers
long-term proofing across any surface – from narrow signs and pipes to wide ledges and rooftop.

BUILT FOR RELIABILITY, EFFICIENCY, AND HUMANE BIRD CONTROL.

Key Features & Benefits

STACKABLE DESIGN

BC Bird Spikes stack neatly for compact packing, easier transport, and faster handling on site.

BRITISH-MADE, BUILT TO LAST

Manufactured in the UK from high-quality materials for long-term reliability.

304 STAINLESS STEEL SPIKES

Corrosion-resistant 1.4 mm spikes provide durable, humane protection in all weather conditions.

UV-PROTECTED POLYCARBONATE BASE

Flexible, impact-resistant base withstands sunlight exposure without becoming brittle.

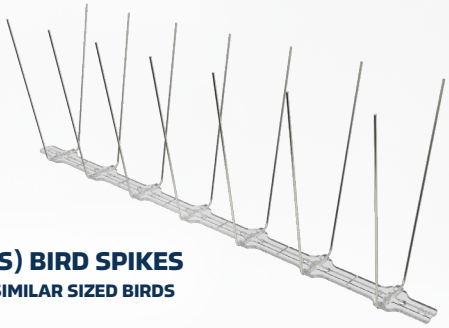

COMPACT BUT EFFECTIVE COVERAGE

BC 14S version offers 115 mm spike height and 50 mm spread prevent pigeons from landing, even on narrow surfaces.

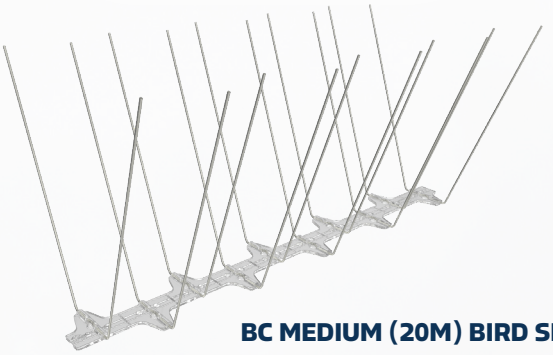

QUICK, VERSATILE INSTALLATION

Compatible with adhesive or clips for fast, tool-free fixing on most substrates.

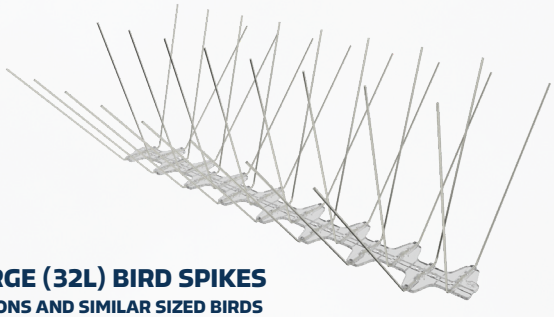

BC BIRD SPIKES COME WITH A 10 YEAR WARRANTY.

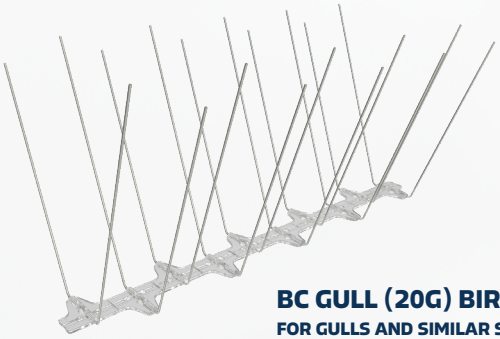

14S **BC SMALL (14S) BIRD SPIKES**
FOR PIGEONS AND SIMILAR SIZED BIRDS

BC MEDIUM (20M) BIRD SPIKES 20M
FOR PIGEONS AND SIMILAR SIZED BIRDS

32L **BC LARGE (32L) BIRD SPIKES**
FOR PIGEONS AND SIMILAR SIZED BIRDS
