

UK Professional Use Rodenticide Stewardship Regime

Supply Chain Compliance Declaration

declares it will only supply Rodenticides with Stewardship conditions to End Users or Supply Chain Partners as follows :

End Users

Either:

- To End Users who hold current CRRU UK approved training certification which is less than 5 years old at the time of sale.

Or:

- To End Users who hold current CRRU UK approved training certification which is 5 years old or more and who are current members of a CRRU UK approved CPD scheme at the time of sale.

In both cases, the CRRU UK guidance “Document 2 : For Certificated Users” applies.

Supply Chain Partners

- Supply chain partners who also complete an equivalent “Supply Chain Compliance Declaration” (Document 1 : For Supply Chain Partners) or equivalent and hold a current BASIS annual audit certificate.

Our organisation acknowledges that failure to adhere to the requirements above, and failure to demonstrate compliance when reasonably required, may result in the withdrawal of supply of Professional Use Rodenticides.
