

PX17

ODOUR COUNTERACTANT

Contents:

12 x 20g Pots

Label Ref: 03/21 Batch No: See Separate Sticker

Keep out of reach of children and pets

ODOUR COUNTERACTANT

Professional grade PX17 pots are moulded blocks of special absorbent polymer with millions of microscopic size cells holding concentrated Airicide odour counteractant that is released gradually and uniformly into the air. They can be used to eliminate foul odours from bacterial growth, cooking, smoking, pets, chemicals, etc.

To use, place the pot with the lid opened slightly in a place out of reach of children and pets. Avoid touching the contents of the pot.

FIRST AID

After skin contact: Rinse skin with water. Take off immediately all contaminated clothing. If skin irritation or rash occurs: Get medical advice/attention.

After eye contact : Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a physician immediately.

After ingestion : Call a poison center or a doctor if you feel unwell
