

1 Identification of the preparation and the supplying Company

1.1 Sakarar Monitoring Bait

1.2 Used to monitor rodent activity

1.3 Killgerm Chemicals Ltd, Wakefield Road, Ossett, West Yorkshire, WF5 9AJ.

Tel: +44 (0)1924 268450 Fax: (0)1924 265033 Email: technical@killgerm.com

1.4 Emergency telephones. Killgerm Chemicals Ltd, 01924 268452 (Office hours)

2 Hazards identification

2.1. Classification of the substance or mixture

This product is not classified as hazardous per Regulation (EC) No 1272/2008 and of the modifications and amendments thereto.

2.2. Label elements

Not a hazardous mixture according to Regulation (EC) No.1272/2008

Pictogram: None

H statements: None

Precautionary statements (P):

P101 If medical advice is needed, have product container or label at hand.

P102 Keep out of reach of children.

2.3. Other hazard

No additional information

3 Composition and information on ingredients

3.2. Mixtures

Hazardous Components in Product

This mixture has no components above the specific concentration limits triggering classification.

Product contains human-consumption-grade foodstuffs.

See section 16 for full text of H phrases and hazard classification of ingredients.

4 First Aid measures

4.1. Description of first aid measures

Ingestion (swallowing): Wash out mouth with water. Do not induce vomiting.

Inhalation: Unlikely route of exposure.

Skin contact: Wash skin with soap and water.

Eye contact: Wash out eye with plenty of water. Obtain medical advice if necessary.

4.2. Most important symptoms and effects, both acute and delayed: No information available

4.3. Indication of any immediate medical attention and special treatment needed: No information available.

5 Fire-fighting measures

5.1. Extinguishing media: This product is non-flammable, but is combustible. Use water spray, foam, dry chemical or carbon dioxide. Cool the smouldering material with water spray to minimise the possibility of re-ignition. Keep containers and surroundings cool with water spray.

5.2. Special hazards arising from the substance or mixture: No information available.

5.3. Advice for fire-fighters: In the event of fire, wear self-contained breathing apparatus.

6 Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures: No information available. For personal protection see section 8.

6.2. Environmental precautions: No information available. See section 12 for additional ecological information.

6.3. Methods and material for containment and cleaning up: Any spillages should be cleared up immediately and disposed of safely. Wash contaminated surfaces with detergent solution.

6.4. Reference to other sections: See section 8 for more information

7 Handling and storage

7.1. Precautions for safe handling:

The product must be used and stored only in accordance with the product label. Empty container completely and dispose of safely

7.2. Conditions for safe storage, including any incompatibilities

Store in original container under cool and dry conditions in a secure, well ventilated place, inaccessible to children. Store and transport away from products which may have an odour.

7.3. Specific end use(s)

Used to monitor rodent's activity.

8 Exposure controls and personal protection

8.1. Control parameters

No information available.

8.2. Exposure controls

Where exposure may occur, engineering controls should be employed. A risk assessment should be carried out and the following PPE may be appropriate /required

PPE	ITEM IN USE	SPILLAGE
Respirators	N/A	N/A
Gloves	Unlined/Flock lined, synthetic rubber/PVC to EN 374. (300mm in length) eg. Nitrile.	Unlined/Flock lined, synthetic rubber/PVC to EN 374. (300mm in length) eg. Nitrile.

Overall	Basic type eg. Heavy duty polycotton or coverall type 5/6.	Basic type eg. Heavy duty polycotton or coverall type 5/6.
Goggles/ Face shield	n/a	Goggles to EN 166 3459B.

9 Physical and chemical properties

9.1. General information

Appearance: A beige wax / paste bait.

Odour: No significant odour.

Odour Threshold: not applicable

pH: no available data

Melting point/freezing point: no available data

Initial boiling point and boiling range: no available data

Flash point: no available data

Evaporation rate: no available data

Relative Density: no available data

Flammability: (in air) lower flammability: no available data

Upper/lower flammability or explosive limit: none

Vapour pressure: no available data

Vapour density: no available data

Relative density: no available data

Solubility(ies): Insoluble in water

Partition coefficient: no available data

Auto-ignition temperature: no available data

Decomposition temperature: no available data

Viscosity: no available data

Explosive properties: none

Oxidising properties. none

9.2. Other information:

Combustibility: no available data

10 Stability and reactivity

10.1. Reactivity: No information available

10.2. Chemical stability: Stable under recommended storage conditions

10.3. Possibility of hazardous reactions: no available data

10.4. Conditions to avoid: no available data

10.5. Incompatible materials: no available data

10.6. Hazardous decomposition products no available data

11 Toxicological information

11.1 Information on toxicological effects

(a) acute toxicity; Product is foodstuff

(b) Skin corrosion/irritation; Not a skin irritant.

(c) Serious eye damage/Irritation; Not an eye irritant.

(d) respiratory or skin sensitisation; No known reports of skin sensitisation.

(e) germ cell mutagenicity; the product is not classified as a mutagen, contains no ingredients classified as a mutagen

(f) carcinogenicity; the product is not classified as a carcinogen, contains no ingredients classified as a carcinogen

(g) reproductive toxicity; the product is not classified as a reprotoxic, contains no ingredients classified as a reprotoxic.

(h) STOT-single exposure; the product is not classified as a STOT-SE, contains no ingredients classified as a STOT-SE.

(i) STOT-repeated exposure; the product is not classified as a STOT-RE, contains no ingredients classified as a STOT-RE.

(j) aspiration hazard; the product is not classified as having an aspiration hazard, contains no ingredients classified as a STOT-RE.

11.2 Other data: see section 2.3

12 Ecological information

12.1. Toxicity: No information available

12.2. Persistence and degradability: Product is biodegradable.

12.3. Bio accumulative potential: No information available

12.4. Mobility in soil: No information available

12.5. Results of PBT and vPvB assessment: No information available

12.6. Other adverse effects: No information available

13 Disposal considerations

13.1. Waste treatment methods: Empty containers, unused and recovered product from spillage should be taken to an approved waste handling site for disposal. The waste needs to be treated as an industrial or commercial waste. Ask supplier for advice.

14 Transport information

14.1. UN number: N/A

14.2. UN proper shipping name: N/A

14.3. Transport hazard class(es) : N/A

14.4. Packing group: N/A

14.5. Environmental hazards: N/A

14.6. Special precautions for user: N/A

14.7. Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code: N/A

15 Regulatory information

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture:
No information available

15.2. Chemical safety assessment: Advice on product handling can be found in sections 7 and 8.

16 Other information

This data sheet does not constitute a COSHH assessment.

The information contained within this data sheet is strictly for general guidance only and should not be relied upon over and above this. This data sheet is intended to provide general health and safety guidance on the handling, storage and transportation of the preparation. The information provided in this data sheet is accurate at the date of publication and will be updated as and when appropriate. No liability will be accepted by Killgerm Chemicals Limited for any loss, injury or damage arising from any

failure to comply with the information and advice contained within this data sheet and/or failure to comply with the manufacturer's guidelines, product label data and any associated technical usage literature.

Not a hazardous mixture according to Regulation (EC) No.1272/2008

Pictogram: None

H statements: None

Precautionary statements (P):

P101 If medical advice is needed, have product container or label at hand.

P102 Keep out of reach of children.
