

sakarāt RODENT LURE ANISEED

- 
- Use Sakarat Rodent Lure as bait on its own or as a fragrance to disguise the odour of new boxes and human interaction.
 - When applying the spray, both rats and mice are less cautious to approach boxes.
 - For best results, spray the attractant inside or outside of the bait box, at identified entry points or its surrounding areas.
 - Store in a cool, dry place for a shelf life of 24 months.
 - Apply every 4-6 weeks or each time the trap has been examined/touched.
 - Keep out of reach of children.

This product is not classified according to CLP.
